SLAS Project Request Form FY21

The purpose of this form is to request research support to help units address questions that support understanding the following academic metrics:

Increase in student retention of FTIC
Increase in four-year graduation rate of FTIC
Increase in two-year graduation rate of transfer students with AA
Increase in three-year graduation rate of transfer students with AA

Please submit this form within the DSP Data Request Portal:
http://tinyurl.com/SLASresearch

Questions? Contact anyone from the SLAS Research and Assessment Committee (Kimberly Schneider, Jacob Bonne, Harrison Oonge, Claudine Turner).

Due date: Forms are due the last Friday each month and units should hear back from the committee within 2-3 weeks.

Name of Project:

Office/Unit Director:

Principal Contact/Lead Person for Project:

Additional Collaborators:

What is the intended outcome of your research project? (Choose one or more and explain)
