

How to Calculate your GPA (Grade Point Average)

Grade Point Averages (GPA) are calculated by dividing the total number of *Grade Points* by the number of *Credit Hours* enrolled.

Each grade has a specific number of points assigned to it:

A	A-	B+	B	B-	C+	C	C-	D+	D	D-	F
4.00	3.75	3.25	3.00	2.75	2.25	2.00	1.75	1.25	1.00	.75	0.00

To determine the grade points **earned per class**, first multiply the **points** by the number of **credit hours**.

Example: if you earned a “C” in ENC 1101 (a 3 credit hour course), then you multiply **2 points** times **3 credit hours** to get **6 grade points**.

To determine the total grade points **earned per semester**, determine the **points** for each class and **add** them together for the **total grade points** that semester.

Example: If you enrolled in 13 credit hours (three 3-hour courses and one 4-hour course), and earned a “B”, a “C”, an “A” in the 3 hour courses, and a “C-” in the 4 hour course this is how you would calculate your total grade points:

A = 4 points	X 3 credit hours	=	12 grade points
B = 3 points	X 3 credit hours	=	9 grade points
C = 2 points	X 3 credit hours	=	6 grade points
C- = 1.75 points	X 4 credit hours	=	<u>7 grade points</u>
	13 credit hours		34 grade points

To determine your **grade point average**, divide the **total grade points** by the **total credit hours** under consideration.

From the example above: Divide **34 grade points** by the **13 credit hours** to equal **2.615 GPA**.

Special Notes:

Grades of W (Withdrawn), WP (Withdrawn Passing), MW (Medical Withdrawal), S (Satisfactory), U (Unsatisfactory), I (Incomplete)*, and NC (No Credit) do not impact your GPA. Do not include the credit hours for these courses in your credit hour total for calculating GPA.

** Unresolved Incomplete grades automatically will be changed to “F” by the Registrar’s Office.
Unresolved “I” grades in courses graded with “S” or “U” will be converted to “U.”*

A grade of WF (Withdrawn Failing) is equal to **0.00 points**.
