

Graduate Scholarships

1. **National Science Foundation Graduate Research Fellowship (NSF GRFP)**

The NSF Graduate Research Fellowship Program recognizes and supports outstanding graduate students in NSF-supported science, technology, engineering, and mathematics disciplines who are pursuing research-based Master's and doctoral degrees at accredited United States institutions.

<https://www.nsfgrfp.org/>

2. **The Science, Mathematics And Research for Transformation (SMART) Scholarship** The Science, Mathematics And Research for Transformation (SMART) Scholarship for Service Program has been established by the Department of Defense (DoD) to support undergraduate and graduate students pursuing degrees in Science, Technology, Engineering and Mathematics (STEM) disciplines. The program aims to increase the number of civilian scientists and engineers working at DoD laboratories.
