

Majors

A **major** area of study is required to complete a bachelor’s degree in a chosen subject area. A list of majors is available in the [UCF Undergraduate Catalog](#). A student may declare a major at any point from the first semester of enrollment up to the completion and core requirements for an intended major.

Minors and Certificates

Minors and **undergraduate certificates** are a complement to a bachelor’s degree. Minors require a minimum of 18 credit hours. Certificates require a minimum of 12 credit hours. Many minors and certificates require hours beyond the minimum amount.

Minors and certificates are optional unless required by a specific major. Some minors and certificates are restricted or limited access. Consult the [UCF Undergraduate Catalog](#) for options and requirements.
