Advice for CHPS Majors

» Not all lower level “elective” courses transfer to meet upper level requirements: HSC / MCB / PET / CLP

» Use UCF Catalog and check with Advisor to select appropriate courses

» Minimum “C” grade or better needed for prereqs, core and restricted electives (CSD will accept a minimum “C-” grade or better)

» All CHPS Majors have GPA requirements → VERIFY
Advice for CHPS Majors

» Health and Wellness Careers require background checks

» Students should ask themselves some very important questions when thinking of a clinical career in health care
  - Can you watch someone struggle or in pain and want to help
  - Do you like Math and Science? Are you good in them?
  - Volunteer/Shadow
