UCF Online
2021 Advising Updates Forum
About

In 2016, the University launched the UCF Online program to provide a new opportunity and experience for online learners.

UCF Online is a distinct program for students wanting to pursue one of the available majors entirely online, with no plans to come to campus.
Features

- Reduction in some campus-based fees
- Enrollment only in web-based courses
- Support by assigned Success Coach
Service restrictions include:

- Primary care visits and discounts at Student Health Services
- Routine counseling and psychological services
- Recreation and Wellness Center services
- UCF Athletics discounts and activities, including intramurals and intercollegiate athletics
- Certain services from the Student Government Association and the Office of Student Involvement.
UCF Online students have full access and privileges to many UCF resources, including:

- Academic Advising
- Library Services
- Student Academic Resource Center
- Veterans Academic Resource Center
- University Writing Center
- Experiential Learning and Internships
- Career Services
- UCF Bookstore
- Technology Product Center
- ID Card Services (in person or by mail)
- Student Accessibility Services
Success Coaches work with students to
• Co-design strategies to meet academic, career, and personal goals
• Identify career options/major
• Navigate the transfer process
• Organize plans to stay on track
• Connect to University support
• Champion their success through guidance, coordination, and encouragement
• Empower them to reach their own level of self-efficacy
