Distribution Options

SSA Quarterly Digest

The SSA Quarterly Digest newsletter is distributed on a quarterly basis (typically December, March, June, and September) to the AEP distribution list and additional campus stakeholders. Possible topics could include:

- Highlighting new initiatives from your area
- Recognizing award winners
- Providing an event recap of a signature program
- Announcing organizational or leadership changes

ATD Monthly Insider

The ATD Monthly Insider newsletter is distributed monthly to the AEP distribution list. The Monthly Insider provides information on training and professional development programming opportunities, shares updates from the advising and coaching community, and spotlights community resources. Possible topics could include:

- Announcing academic program changes
- Sharing updates to policies and procedures (e.g., changes to Chemistry Placement)
- Promoting a program or workshop opportunity (e.g., UCF/State College Pre-Health Advising Assembly)
 - Program audience should be for the advising community or a large distribution of students
- Distributing a community resource (e.g., Community Resource Guide from Student Care Services)
