Updates & Reminders

- **Updates & Reminders**

- Due to the [Timely Academic Progress Policy](#), students who have earned 75 or more credit hours are unable to switch to Undeclared and complete the MEP program.
- **Refer to KMETC**: Students who have been redirected from their college or program and need help finding a new major *or* who no longer wants to remain in their current major and do not have a major or direction in mind.
- **Do not refer to KMETC**: Student already has a new major or direction in mind – they should connect with their new college.
- Students seeking information on minors and/or certificates should contact that college directly.
