

Lou Frey Institute Florida Civics Literacy Exam Prep Sessions

Since the exam's inception, the Lou Frey Institute has been an integral partner in the development of the assessment. It has written key documents for the Florida Department of Education explaining the exam's components to Florida's secondary and post-secondary students. As such, to help facilitate student success on the exam, the Lou Frey Institute will offer regular FCLE prep sessions for UCF students. These prep sessions will cover the content identified in each of the four competencies, followed by a practice exam for students to use as an evaluation of their content strengths and weaknesses.

The Four Competencies Include:

Competency One	Competency Two	Competency Three	Competency Four
Understanding of the basic principles and practices of American democracy and how they are applied in our republican form of government	Understanding of the United States Constitution and its application	Knowledge of the founding documents and how they have shaped the nature and functions of our institutions of self-government	Understanding of landmark Supreme Court cases, landmark legislation, and landmark executive actions and their impact on law and society
