

Dear Colleagues

I'm delighted to announce that Bernard Huggins will join the Division of Student Learning and Academic Success as the Associate Director of the new Transfer Center. His first day is November 1. Most recently, he served as the Assistant Director for Transition Programs at Penn State University.

As Associate Director, he will play a critical role in advancing UCF's culture of transfer student success by developing programs, resources, and engagement opportunities. Bernard brings a unique perspective to this role. He was a Knights Major Exploration and Transition Center team member and transferred to UCF through DirectConnect to UCF.®

Bernard earned his Associate of Arts degree from Valencia College and a Bachelor of Science degree from UCF. Bernard received his master's degree in Leadership from Nova Southeastern University. He is pursuing a doctorate in Educational Leadership at UCF.

Please join me in welcoming Bernard to the SLAS team.

Go Knights! Charge on!
